There was discussion as to whether a Fitness Report should be written. [REDACTED] stated that in this particular case he felt that ORD should write up a Fitness Report covering the time from 1 November through 17 March 1967.

In the case where a Division Chief was recommending a man for a promotion and he did have a current Fitness Report but it was his desire to upgrade or update the previous Fitness Report, there is no regulation against doing so.

13. [REDACTED] raised the question of the new procedure of rating and reviewing on Fitness Reports for secretaries. If a Deputy Chief has not been designated within a Division, the Division Chief should designate the individual he wishes to rate the secretaries.
